You've Come a Long Way—

Baby!

Yes.
 Wouldn't you agree that Joseph City High
 School has taken some steps of progress?
 After being a two year high school for
 Many, many, years, Joseph City has finally
 Made it as a full-fledged high school.
 New things have come our way.
 The Juniors became Seniors
 Thus making the first Senior Graduating Class.
 New buildings
 And
 New classes
 Were added as a result of our High School.
 Teachers
 And
 Students
 Have come and gone our way.
 We've come a long way in
 Sports.
 After many years of practice, and experience,
 J.C.H.S. is producing winning teams in the
 Field of
 Sports.
 There had been doubts and many
 "I don't know's" about our high school.
 But I think we're going to make it.
 We the Yearbook Staff of 1972
 Will try to present in this yearbook the
 Traditional and the new things which have made
 Our
 High School.
 So, in beginning we would like to say
 You've Come a Long Way—
 Baby!

To a Dedicated Class:

The Seniors, whose warmth and friendliness have enlightened our school throughout the years, have helped to make Joseph City a name of satisfaction.

With honor and gratitude, the annual class would like to dedicate the 1971-72 annual to this first graduating class of Joseph City High School.

The example this class has set in honesty, motivation of learning, and spirit is a good example for the many seniors to follow in the years to come.

The Freshmen Receive a Traditional Initiation

Pictured above is a Freshmen getting his share of initiating.

Initiation for the Freshmen began Tuesday, September 7, when they were auctioned off to their upperclassmen. The bids ranged in price from a low of 25¢ to a high of \$7.10.

On the following day Sept. 8, the Freshmen came to school clad in the garments, that were suggested by their masters.

The morning activities consisted of mowing the football field and pulling the weeds around it.

At 1:00 p. m. everyone marched to the "J" to give it its whitewash for the year. After this task was completed the 9th Graders became the official Freshmen of J. C. H. S.

Juniors Have a Prom for the Seniors

"The Southern Ball"

The theme for the first Jr. & Sr. Prom of Joseph City High School was "The Southern Ball". The Juniors began decorating for the prom days before the scheduled date of April 28, and they had been planning for the prom many months beforehand.

The gymnasium was converted into a fake ceiling of green white, and blue streamers, fake walls, an arch covered with huge flowers, a water fountain in front of the arch and giant pillars which surrounded the band performers.

The band which played was a group from Show Low, Ariz. called "Grandma's Favorite Band".

The highlight of the evening was the announcing of the Prom Queen and the Princesses Nancy Johnson, from the Junior Class, announced the three girl candidates that were chosen from the Class of Senior girls. The two princesses were Beverly Edwards, escorted by Walter Copeland, and Connie Young, escorted by Wayne Miller. They each received a red rose. The Prom Queen for 1971-72 was Lynette Miller. She wore a blue velvet robe with gold lining and received her crown, a dozen red roses, a locket, and a kiss from her escort Kim Shelley.

The Prom which lasted from 8:00 till 12:00 was considered a big success by all.

By the sprinkling water fountain are: (L. TO R.) Mr. & Mrs. Biggs, Mrs. Morris, Clara Esky, Mr. Alford, Jerry Duncan.

Teddi Baird and Monroe Shelley smiling happily.

Nelson Yarrison and Lee Ann Randall were there, also.

Wildcats on the Move in '71

During the 1971 Football season, Joseph City battled their way to 3rd place in the tough North Conference. Missing a 2nd place spot by only 2 pts. Although the Wildcats sometimes got off to a slow start, they almost always came alive to defeat their opponents by wide margins, mainly due to their fine aggressiveness.

During the 1972 year the Joseph City Wildcats played a total of 9 Varsity games winning 7. The only losses coming against the eventual State Champs and the #2 team in the North.

Much of the credit can go to the coaching jobs done by Coach Macfarlane and Coach Biggs. Their continued effort combined to help the Wildcats start what we hope to be the first year of many years of a winning tradition at J.C.H.S.

But the spirit of the team members who gave their all-out effort during the season, was the biggest contributing factor in this winning season. Many of the boys were able to gain honor through honorable mention in the All-Conference selections.

We give special thanks to their coach: Mr. Alford has done an outstanding job in teaching these boys the fundamentals of wrestling. Team members were John, Bob, Monroe, Kevin, Brannick, Nathan, and Norman.

Can You Remember When . . .

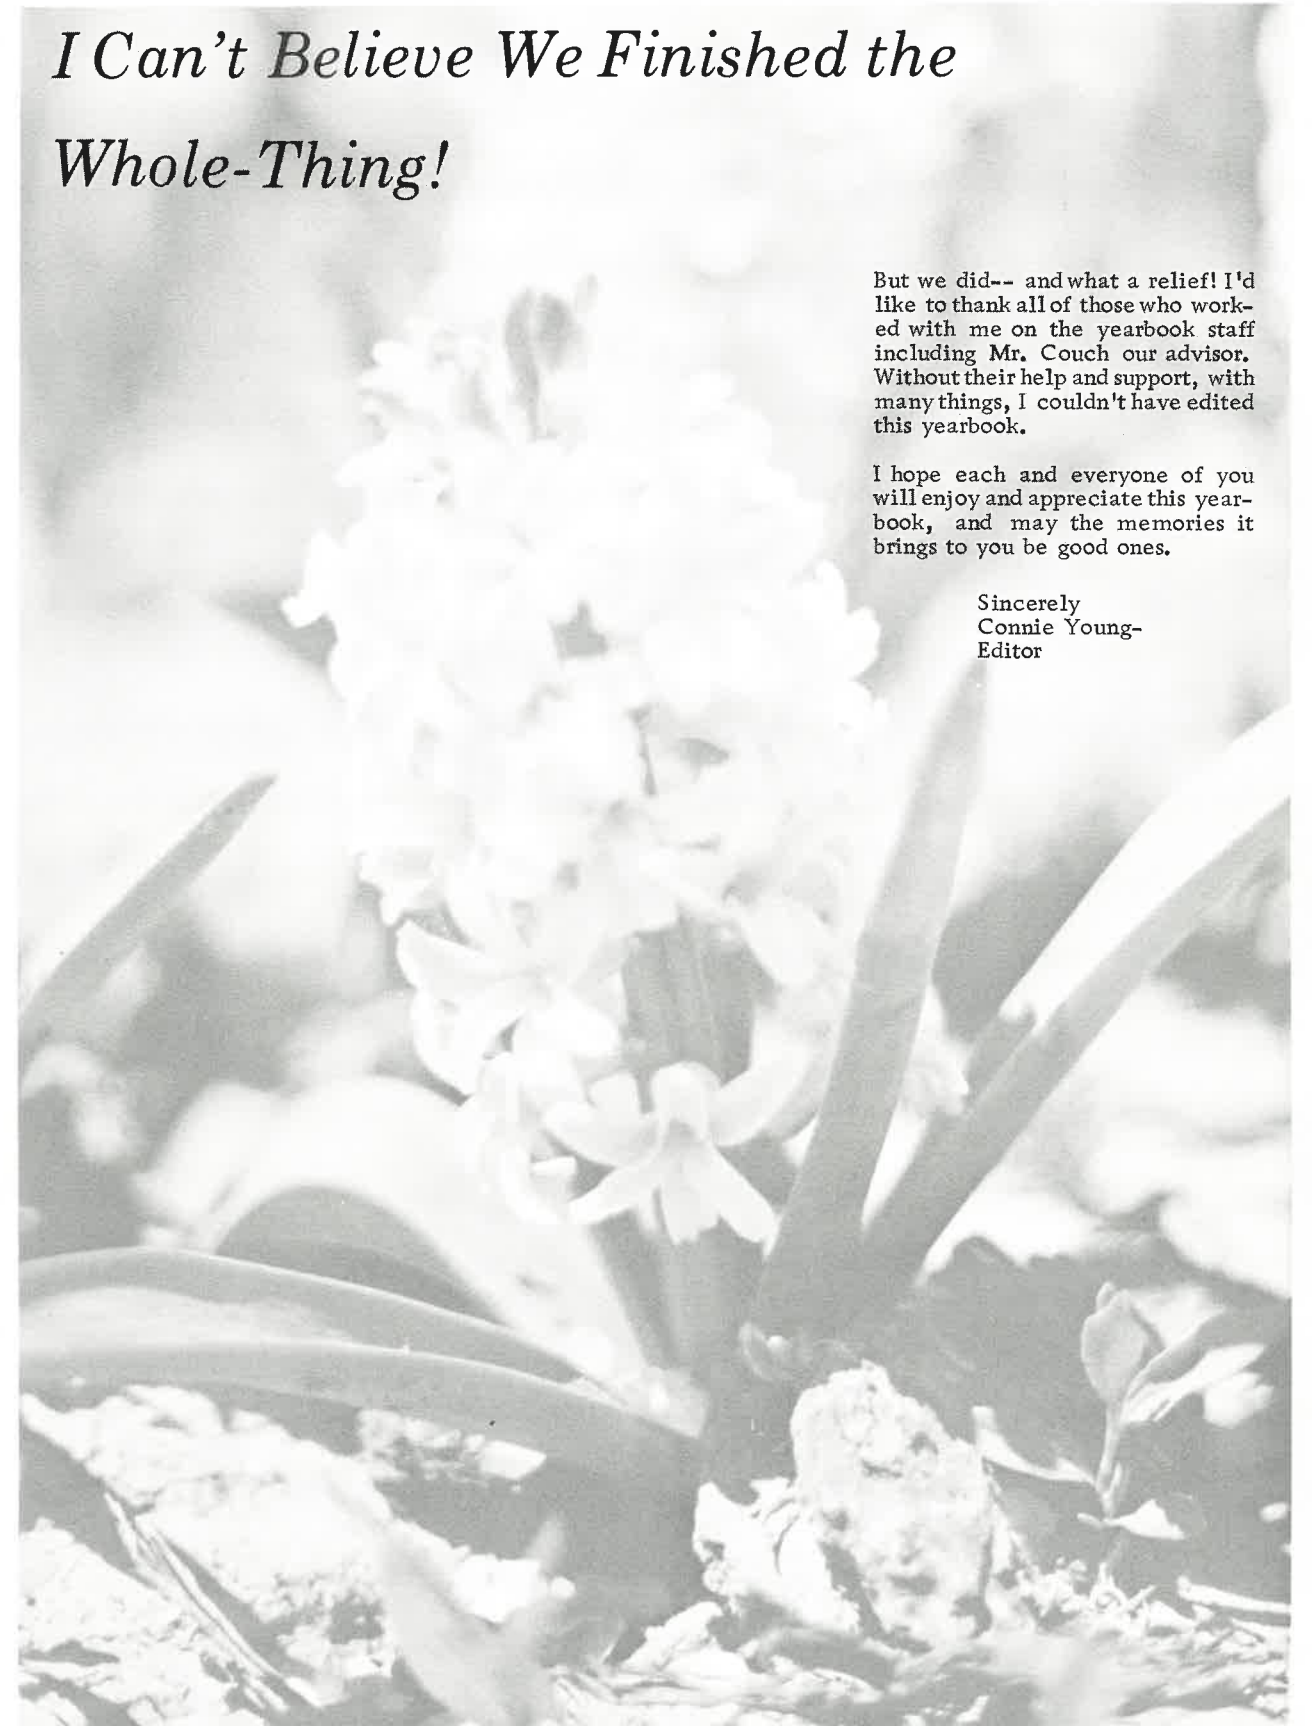

I Can't Believe We Finished the Whole-Thing!

But we did-- and what a relief! I'd like to thank all of those who worked with me on the yearbook staff including Mr. Couch our advisor. Without their help and support, with many things, I couldn't have edited this yearbook.

I hope each and everyone of you will enjoy and appreciate this yearbook, and may the memories it brings to you be good ones.

Sincerely
Connie Young-
